

**FOR IMMEDIATE RELEASE**

Date: 27<sup>th</sup> June 2024

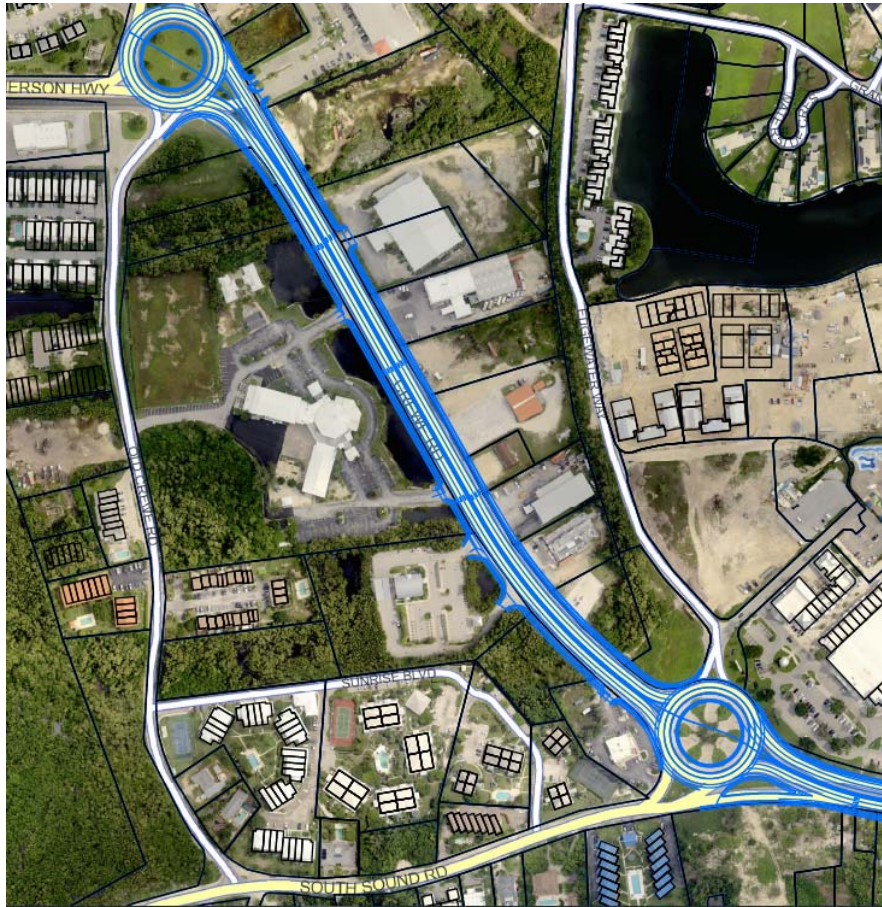

**SCHEDULED WORKS ALONG CREWE Road for Six Lane Widening**

The National Roads Authority (NRA) wishes to inform the public of scheduled road works beginning this weekend. The Crewe Road Widening project (6 lanes) is a multi-phase road development project that involves increasing the lane capacity on the primary arterials and at the intersections supporting these arterials, <https://www.caymanroads.com/projects/shamrock-road-six-lane-widening>

The project began in 2019 with 3 lane upgrades to the Grand Harbour Roundabout, Red Bay Roundabout and Chrissie Tomlinson Roundabout.

Travel lane expansion for roadways in between is being carried out in segments as the process requires relocation of utilities and the removal and replacement of boundary walls, fences, etc

The next stage of improvements will take place between the Grand Harbour Roundabout and the CUC Roundabout on the eastbound and westbound lanes. Please exercise caution as you drive through work zones. The NRA appreciates the public's patience and cooperation during this time.

### **About the National Roads Authority (NRA)**

The National Roads Authority was created on 1st July 2004 by the National Roads Authority Law (2004). The NRA aims to enhance transport development in the Cayman Islands by building and maintaining a safe and efficient network of roads, in partnership with our Board of Directors, our Ministry, Cabinet, and the Private sector, having regard to national and economic growth strategies. For more information and to stay up to date with our latest projects and developments, visit us at <https://www.caymanroads.com/> .
