
CREWE ROAD WIDENING - APRIL 2008

IMAGES

New
IMPROVEMENTS
Improving Grand Cayman! One Road at a Time.

SECTION 3
Crewe Road conversion to a dual carriageway, with a raised concrete median

Project details:

- At the end of works residents will have access to two westbound lanes (heading into George Town) and two eastbound lanes between the Silver Oaks and Grand Harbour roundabouts.
- A raised centre median will prevent all right hand turns. Motorists with a right hand destination will have to first turn left and then circle the next available roundabout.

Tip: Drivers going to the First Baptist School may find it quicker to use the school's recently improved Old Crewe Road entrance.
