### WATCH FOR SCHOOL ZONES

### Keeping Cayman's Children Safe

<h4 style="color: red; margin: 0;">What is a school zone?</h4> <p>A school zone is an essential safety feature at our schools.</p> <p>It is designed to:</p> <ul style="list-style-type: none"> <li>• Slow down traffic;</li> <li>• Allow students to be safely dropped off and picked-up;</li> <li>• Give drivers more time to recognize and react to situations requiring slowing or stopping.</li> </ul> <p>A school zone begins at the School Speed 15 MPH when Flashing sign and ends at the End School Zone sign.</p>	<h4 style="color: red; margin: 0;">Tips for the road:</h4> <ul style="list-style-type: none"> <li>• Be aware of all school zones, keep your eyes on the road and your mind on the task at hand at all times.</li> <li>• Stop for pedestrians at crossings. Remember they have the right of way.</li> <li>• Follow the speed limit and SLOW DOWN to <b>15mph</b> in designated school zones when the light is flashing.</li> <li>• Expect the unexpected. Children can be unpredictable. So always be alert and on the look-out.</li> <li>• When a school bus has stopped in front of you stop at least <b>20 feet</b> away and wait until the bus pulls away. NEVER overtake a school bus while it is off-loading children or its flashers are blinking.</li> </ul>
